

INDEX TO VOLUME XX, 1913

General Subjects, page iii.

Editorials, page xvii.

Books, page xviii.

Authors, page xx.

NOTE TO THE READER: There are in vogue so many synonyms for things and conditions that it is impossible here to enumerate them all (although many are listed); hence, the reader, if disappointed under one catchword, should exhaust the list of equivalent terms before giving up. (Example: Urotropin, formin, aminoform, cystamin, uritone, hexamethyltetramine. Or: Consumption, pulmonary cough, tuberculosis, phthisis.

	PAGE
Abderhalden's pregnancy serum test.....	745
Aborting disease.....	145, 410
Abortion, treatment of. (Query.).....	283
Abscess, hepatic, emetine in.....	513, 594
" turpentine oil in.....	168
Accounts, collection of.....	399
Acid, benzoic and boric, in urinary infection.....	1019
" lactic, bacillus in diarrhea.....	931
" bacillus spray in diphtheria.....	932
Acids, fatty, neurolytic action of.....	837
Acidemia, copremic.....	913
Acidimeter, Harrower's, use of.....	913
Acidosis and autotoxemia.....	497
" treatment of.....	914
Acne, bacterin for.....	337, 751, 843
" calcium sulphide in.....	64
" cure for.....	765
" treatment of. (Query.).....	370
" vaseline in.....	64
Agonite and aconitine compared.....	210
Actinomycosis—See also Ray Fungus.	
Active principle—See also Alkaloidal.	
" boost.....	598
" therapy.—J. M. French.....	13
" therapy applied common sense.....	226
" therapy, laws and principles of.....	142
" therapy, minor principles of.....	222
" treatment of pneumonia.—	
J. M. French.....	409
" principles, principal, described.....	315
" reasons for preferring.—G. L.	
Servoss.....	488
Adana, International hospital at.—C. H. Haas	21
Addiction—See also Habit, etc. Also specific drug names.	
Adenoids, removal of. (Query.).....	283
Adrenalin in typhoid fever vomiting.....	248
" in whooping cough.....	426
Advertising and ethics.....	693
Aged—See also Senile, Old.	
Agrimonte, yellow-fever victim.....	415
Air, pure, and "gill" ventilation.....	443
Albuminuria, classification of, Williams.....	997
" of pregnancy. (Query.).....	787
" various varieties, treatment of.....	998
Alcohol addiction, and neurasthenia.....	905
" treatment of.....	747
" for skin disinfection.....	595
" injurious in any amounts.....	449
Alcoholism—See also Inebriety, etc. Also Habit, etc.	
" quinine and urea hydrochloride in....	596
" symptoms and treatment.....	689

	PAGE
Alendrin.....	1023
Aleppo button, nature of, and treatment. (Query.).....	457
Alkaloidal—See also Active Principle.	
Allantoin, leukocytosis stimulated by.....	841
Aloin and atropine, combining of.....	764
Alopecia, treatment of.....	543, 621
America, touring for scenery in.....	89
American College of Surgeons, organization of.....	554
Amyl nitrite, episode with.....	633
Anal fissure, treatment of.....	1007
Anaphylaxis, prevention of.....	838
Anascara—See also Ascites, Dropsy, Edema, Hydropsy.	
Anemia, blood injections in.....	668
" iron and arsenic in.....	589
" iron hypodermically in.....	935
" lecithin in.....	247
" pernicious, hydrochloric acid in.....	670
" physiologic. (Query.).....	112
" tropical—See also Hookworm Disease.	
Anesthesia, chloroform with H-M-C the safest.....	733
" experience of fifteen years with.—A. S.	
Tuchler.....	733
" local, ethyl chloride.....	246
" " in removing piles.....	284
" spinal, with stovaine, death from.....	446
Anesthetic for children, best.....	1058
" ideal, and hyoscine.....	840
" local, for renal calculi.....	577
" orange oil with chloroform.....	733
" women to give.....	83
Angina pectoris, curable forms of.....	472
Animals, domestic and wild, as carriers of disease.....	188
Anociassociation.....	708
Anthrax, case of.....	244
Antigens and antibodies.....	338
Antiscarlatinal serum.....	248
Antistreptococcus serum.....	839
Antitoxin—See also Serum, Bacterin, etc.	
" Also the specific diseases.	
" ageing of.....	248
" and antitoxin therapy.....	338, 427
" diphtheria, dosage.....	425, 597
" production of.—A. M. Slee.....	51
" hemostatic property of.....	161
" sera.....	339
" therapy, and antitoxins.....	162
Antitoxins, nature of.....	164
Antityphoid vaccination in the army.....	803
" " protective.....	204
" " through the intestine.....	65
Aphasia. (Query.).....	880
Apomorphine in cholera morbus.....	868
" in insomnia.....	1016
Apoplexy—See also Hemorrhage, Cerebral.	
" symptoms and treatment.....	688
Appendicitis and gastric disturbances.....	324
" and worms.....	668
" diagnosis of.....	358, 926
" wants to operate for. (Query.).....	965
Applicator, uterine.....	572
Arbutus in urinary infection.....	1017

	PAGE		PAGE
Argentum—See also Silver.		[Bacterins,] for asthma and bronchitis.....	718
Army, alcoholics should be prohibited in the.	449	“ for boils.....	752
“ maneuvers from a medical standpoint.		“ for carbuncle.....	752
—R. Slee.....	40	“ for cystitis.....	927
“ medical corps, and preventive medicine.—R. Slee.....	413	“ for gonorrheal warts.....	670
